24 follicle testing, or similar drug screening approved by the Board or its designee. Respondent shall
25 make daily contact with the Board or its designee to determine whether biological fluid testing is
26 required. Respondent shall be tested on the date of the notification as directed by the Board or its
27 designee. The Board may order a Respondent to undergo a biological fluid test on any day, at
28 any time, including weekends and holidays. Except when testing on a specific date as ordered by

1 the Board or its designee, the scheduling of biological fluid testing shall be done on a random
2 basis. The cost of biological fluid testing shall be borne by the Respondent.

5 years, Respondent shall be subject to 36 to 104 random tests per year. Only if there has been no
6 positive biological fluid tests in the previous five (5) consecutive years of probation, may testing
7 be reduced to one (1) time per month. Nothing precludes the Board from increasing the number
8 of random tests to the first-year level of frequency for any reason.

9 Prior to practicing medicine, Respondent shall contract with a laboratory or service,
10 approved in advance by the Board or its designee, that will conduct random, unannounced,
11 observed, biological fluid testing and meets all the following standards:

- 12 (a) Its specimen collectors are either certified by the Drug and Alcohol Testing
13 Industry Association or have completed the training required to serve as a collector for the
14 United States Department of Transportation.
- 15 (b) Its specimen collectors conform to the current United States Department of
16 Transportation Specimen Collection Guidelines.
- 17 (c) Its testing locations comply with the Urine Specimen Collection Guidelines
18 published by the United States Department of Transportation without regard to the type of

- 21 (e) Its laboratories are certified and accredited by the United States Department of
22 Health and Human Services.
- 23 (f) Its testing locations shall submit a specimen to a laboratory within one (1) business
24 day of receipt and all specimens collected shall be handled pursuant to chain of custody
25 procedures. The laboratory shall process and analyze the specimens and provide legally
26 defensible test results to the Board within seven (7) business days of receipt of the
27 specimen. The Board will be notified of non-negative results within one (1) business day
28 and will be notified of negative test results within seven (7) business days.

1 (g) Its testing locations possess all the materials, equipment, and technical expertise

5 (i) It maintains testing sites located throughout California.

6 (j) It maintains an automated 24-hour toll-free telephone system and/or a secure on-
7 line computer database that allows the Respondent to check in daily for testing.

9 staff access to drug test results and compliance reporting information that is available 24
10 hours a day.

11 (l) It employs or contracts with toxicologists that are licensed physicians and have
12 knowledge of substance abuse disorders and the appropriate medical training to interpret
13 and evaluate laboratory biological fluid test results, medical histories, and any other
14 information relevant to biomedical information.

15 (m) It will not consider a toxicology screen to be negative if a positive result is
16 obtained while practicing, even if the Respondent holds a valid prescription for the
17 substance.

18 Prior to changing testing locations for any reason, including during vacation or other
19 travel, alternative testing locations must be approved by the Board and meet the requirements
20 above.

21 The contract shall require that the laboratory directly notify the Board or its designee of
22 non-negative results within one (1) business day and negative test results within seven (7)
23 business days of the results becoming available. Respondent shall maintain this laboratory or
24 service contract during the period of probation.

25 A certified copy of any laboratory test result may be received in evidence in any
26 proceedings between the Board and Respondent.

27 If a biological fluid test result indicates Respondent has used, consumed, ingested, or
28 administered to himself or herself a prohibited substance, the Board shall order Respondent to

1 cease practice and instruct Respondent to leave any place of work where Respondent is practicing
2 medicine or providing medical services. The Board shall immediately notify all of Respondent's
3 employers, supervisors and work monitors, if any, that Respondent may not practice medicine or
4 provide medical services while the cease-practice order is in effect.

5 A biological fluid test will not be considered negative if a positive result is obtained while
6 practicing, even if the practitioner holds a valid prescription for the substance. If no prohibited
7 substance use exists, the Board shall lift the cease-practice order within one (1) business day.

8 After the issuance of a cease-practice order, the Board shall determine whether the
9 positive biological fluid test is in fact evidence of prohibited substance use by consulting with the
10 specimen collector and the laboratory, communicating with the licensee, his or her treating
11 physician(s), other health care provider, or group facilitator, as applicable.

12 For purposes of this condition, the terms "biological fluid testing" and "testing" mean the
13 acquisition and chemical analysis of a Respondent's urine, blood, breath, or hair.

14 For purposes of this condition, the term "prohibited substance" means an illegal drug, a
15 lawful drug not prescribed or ordered by an appropriately licensed health care provider for use by
16 Respondent and approved by the Board, alcohol, or any other substance the Respondent has been
17 instructed by the Board not to use, consume, ingest, or administer to himself.

18 If the Board confirms that a positive biological fluid test is evidence of use of a prohibited
19 substance, Respondent has committed a major violation, as defined in section 1361.52(a), and the
20 Board shall impose any or all of the consequences set forth in section 1361.52 (b), in addition to
21 any other terms or conditions the Board determines are necessary for public protection or to
22 enhance Respondent's rehabilitation.

23 4. PSYCHOTHERAPY. Within 60 calendar days of the effective date of this
24 Decision, Respondent shall submit to the Board or its designee for prior approval the name and
25 qualifications of a California-licensed board certified psychiatrist or a licensed psychologist who
26 has a doctoral degree in psychology and at least five years of postgraduate experience in the
27 diagnosis and treatment of emotional and mental disorders. Upon approval, Respondent shall
28 undergo and continue psychotherapy treatment, including any modifications to the frequency of

1 psychotherapy, until the Board or its designee deems that no further psychotherapy is necessary.

2 The psychotherapist shall consider any information provided by the Board or its designee
3 and any other information the psychotherapist deems relevant and shall furnish a written
4 evaluation report to the Board or its designee. Respondent shall cooperate in providing the
5 psychotherapist any information and documents that the psychotherapist may deem pertinent.

6 Respondent shall have the treating psychotherapist submit quarterly status reports to the
7 Board or its designee. The Board or its designee may require Respondent to undergo psychiatric
8 evaluations by a Board-appointed board certified psychiatrist. If, prior to the completion of
9 probation, Respondent is found to be mentally unfit to resume the practice of medicine without
10 restrictions, the Board shall retain continuing jurisdiction over Respondent's license and the
11 period of probation shall be extended until the Board determines that Respondent is mentally fit
12 to resume the practice of medicine without restrictions.

13 Respondent shall pay the cost of all psychotherapy and psychiatric evaluations.

14 5. SUBSTANCE ABUSE SUPPORT GROUP MEETINGS. Within thirty (30) days of
15 the effective date of this Decision, Respondent shall submit to the Board or its designee, for its
16 prior approval, the name of a substance abuse support group which he or she shall attend for the
17 duration of probation. Respondent shall attend substance abuse support group meetings at least
18 once per week, or as ordered by the Board or its designee. Respondent shall pay all substance
19 abuse support group meeting costs.

20 The facilitator of the substance abuse support group meeting shall have a minimum of three
21 (3) years experience in the treatment and rehabilitation of substance abuse, and shall be licensed
22 or certified by the state or nationally certified organizations. The facilitator shall not have a
23 current or former financial, personal, or business relationship with Respondent within the last five
24 (5) years. Respondent's previous participation in a substance abuse group support meeting led by
25 the same facilitator does not constitute a prohibited current or former financial, personal, or
26 business relationship.

27 The facilitator shall provide a signed document to the Board or its designee showing
28 Respondent's name, the group name, the date and location of the meeting, Respondent's

attendance, and Respondent's level of participation and progress. The facilitator shall report any unexcused absence by Respondent from any substance abuse support group meeting to the Board, or its designee, within twenty-four (24) hours of the unexcused absence.

6. **VIOLATION OF PROBATION CONDITION FOR SUBSTANCE ABUSING LICENSEES.** Failure to fully comply with any term or condition of probation is a violation of probation.

A. If Respondent commits a major violation of probation as defined by section 1361.52, subdivision (a), of Title 16 of the California Code of Regulations, the Board shall take one or more of the following actions:

(1) Issue an immediate cease-practice order and order Respondent to undergo a clinical diagnostic evaluation to be conducted in accordance with section 1361.5, subdivision (c)(1), of Title 16 of the California Code of Regulations, at Respondent's expense. The cease-practice order issued by the Board or its designee shall state that Respondent must test negative for at least a month of continuous biological fluid testing before being allowed to resume practice. For purposes of determining the length of time a Respondent must test negative while undergoing continuous biological fluid testing following issuance of a cease-practice order, a month is defined as thirty calendar (30) days. Respondent may not resume the practice of medicine until notified in writing by the Board or its designee that he or she may do so.

(2) Increase the frequency of biological fluid testing.

(3) Refer Respondent for further disciplinary action, such as suspension, revocation, or other action as determined by the Board or its designee.

B. If Respondent commits a minor violation of probation as defined by section 1361.52, subdivision (c), of Title 16 of the California Code of Regulations, the Board shall take one or more of the following actions:

(1) Issue a cease-practice order;

(2) Order practice limitations;

(3) Order or increase supervision of Respondent;

(4) Order increased documentation;

1 (5) Issue a citation and fine, or a warning letter;

2 (6) Order Respondent to undergo a clinical diagnostic evaluation to be conducted in
3 accordance with section 1361.5, subdivision (c)(1), of Title 16 of the California Code of
4 Regulations, at Respondent's expense;

5 (7) Take any other action as determined by the Board or its designee.

6 C. Nothing in this Decision shall be considered a limitation on the Board's authority
7 to revoke Respondent's probation if he or she has violated any term or condition of probation. If
8 Respondent violates probation in any respect, the Board, after giving Respondent notice and the
9 opportunity to be heard, may revoke probation and carry out the disciplinary order that was
10 stayed. If an Accusation, or Petition to Revoke Probation, or an Interim Suspension Order is filed
11 against Respondent during probation, the Board shall have continuing jurisdiction until the matter
12 is final, and the period of probation shall be extended until the matter is final.

13 7. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the
14 Respondent shall provide a true copy of this Decision and Petition to Revoke Probation to the
15 Chief of Staff or the Chief Executive Officer at every hospital where privileges or membership
16 are extended to Respondent, at any other facility where Respondent engages in the practice of
17 medicine, including all physician and locum tenens registries or other similar agencies, and to the
18 Chief Executive Officer at every insurance carrier which extends malpractice insurance coverage
19 to Respondent. Respondent shall submit proof of compliance to the Board or its designee within
20 15 calendar days.

21 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

22 8. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE
23 NURSES. During probation, Respondent is prohibited from supervising physician assistants and
24 advanced practice nurses.

25 9. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
26 governing the practice of medicine in California and remain in full compliance with any court
27 ordered criminal probation, payments, and other orders.

28 //

1 10. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
2 under penalty of perjury on forms provided by the Board, stating whether there has been
3 compliance with all the conditions of probation.

4 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
5 of the preceding quarter.

6 11. GENERAL PROBATION REQUIREMENTS.

7 Compliance with Probation Unit

8 Respondent shall comply with the Board's probation unit.

9 Address Changes

10 Respondent shall, at all times, keep the Board informed of Respondent's business and
11 residence addresses, email address (if available), and telephone number. Changes of such
12 addresses shall be immediately communicated in writing to the Board or its designee. Under no
13 circumstances shall a post office box serve as an address of record, except as allowed by Business
14 and Professions Code section 2021(b).

15 Place of Practice

16 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
17 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
18 facility.

19 License Renewal

20 Respondent shall maintain a current and renewed California physician's and surgeon's
21 license.

22 Travel or Residence Outside California

23 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
24 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
25 (30) calendar days.

26 In the event Respondent should leave the State of California to reside or to practice,
27 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
28 departure and return.

1 12. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
2 available in person upon request for interviews either at Respondent's place of business or at the
3 probation unit office, with or without prior notice throughout the term of probation.

4 13. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
5 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
6 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
7 defined as any period of time Respondent is not practicing medicine as defined in Business and
8 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct
9 patient care, clinical activity or teaching, or other activity as approved by the Board. If
10 Respondent resides in California and is considered to be in non-practice, Respondent shall
11 comply with all terms and conditions of probation. All time spent in an intensive training
12 program which has been approved by the Board or its designee shall not be considered non-
13 practice and does not relieve Respondent from complying with all the terms and conditions of
14 probation. Practicing medicine in another state of the United States or Federal jurisdiction while
15 on probation with the medical licensing authority of that state or jurisdiction shall not be
16 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
17 period of non-practice.

18 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
19 months, Respondent shall successfully complete the Federation of State Medical Boards's Special
20 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
21 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
22 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

23 Respondent's period of non-practice while on probation shall not exceed two (2) years.

24 Periods of non-practice will not apply to the reduction of the probationary term.

25 Periods of non-practice for a Respondent residing outside of California will relieve
26 Respondent of the responsibility to comply with the probationary terms and conditions with the
27 exception of this condition and the following terms and conditions of probation: Obey All Laws;
28 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or

1 Controlled Substances; and Biological Fluid Testing.

2 14. COMPLETION OF PROBATION. Respondent shall comply with all financial
3 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
4 completion of probation. Upon successful completion of probation, Respondent's certificate shall
5 be fully restored.

6 15. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
7 of probation is a violation of probation. If Respondent violates probation in any respect, the
8 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
9 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,
10 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have
11 continuing jurisdiction until the matter is final, and the period of probation shall be extended until
12 the matter is final.

13 16. LICENSE SURRENDER. Following the effective date of this Decision, if
14 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
15 the terms and conditions of probation, Respondent may request to surrender his or her license.
16 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
17 determining whether or not to grant the request, or to take any other action deemed appropriate
18 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
19 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
20 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
21 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
22 application shall be treated as a petition for reinstatement of a revoked certificate.

23 17. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
24 with probation monitoring each and every year of probation, as designated by the Board, which
25 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
26 California and delivered to the Board or its designee no later than January 31 of each calendar
27 year.

5 effective July 30, 2003, stated that Respondent was prohibited from practicing or attempting to
6 practice any aspect of medicine during the pendency of a criminal action pending against him
7 (Case Nos. BA249419 and BA231928), unless he enters the Medical Board Diversion Program
8 and the Program authorizes him to practice medicine.

9 4. In a disciplinary action entitled *In the Matter of the Accusation Against Brian Keith*
10 *Gamble, M.D.*, Case No. 06-2009-202941, on or about February 18, 2010, Respondent stipulated
11 to the suspension of his Physician's and Surgeon's Certificate due to his use of illegal drugs.
12 Effective October 21, 2010, the Board issued a Decision and Order, in which Respondent's
13 California Physician's and Surgeon's Certificate Number A 76121 was revoked. The revocation,
14 however, was stayed and Respondent's Physician's and Surgeon's Certificate was placed on
15 probation for a period of five (5) years with special terms and conditions, which include but are
16 not limited to: abstention from alcohol.

17 5. On December 28, 2011, Complainant filed a Petition to Revoke Probation against
18 Respondent based on Respondent's positive tests for alcohol in violation of the terms and
19 conditions of his probation.

20 6. On February 24, 2012, Complainant filed an Accusation and First Amended Petition
21 to Revoke Probation against Respondent. Pursuant to a Stipulated Settlement entered into
22 between the Board and Respondent, the Board issued a Decision, effective August 29, 2012, in
23 which Respondent's California Physician's and Surgeon's Certificate Number A 76121 was
24 revoked (Decision). The revocation, however, was stayed and Respondent's Physician's and
25 Surgeon's Certificate was placed on probation for a period of seven (7) years with special terms
26 and conditions, which include but are not limited to: abstention from alcohol. The seven (7) year
27 probationary term commenced on September 23, 2010, the date of the Board's order adopting the
28 previous Stipulated Settlement. Respondent was also suspended from the practice of medicine for

1 thirty-five (35) days. A copy of that Decision is attached as Exhibit A and is incorporated by
2 reference.

3 7. On September 21, 2016, the Board filed a Petition for Interim Suspension Order
4 against Respondent alleging that he had violated Condition B of his probation, as set forth in the
5 Decision.

6 8. On October 14, 2016, a Stipulated Settlement and Order on Petition for Interim
7 Suspension Order was executed by the parties and the Presiding Administrative Law Judge and is
8 currently in place. The Stipulated Settlement and Order provides, in pertinent part, that "[u]pon
9 the execution of the Order by the Presiding Administrative Law Judge, the Board will file an
10 Accusation and/or Petition to Revoke Probation against Respondent within thirty (30) days. If
11 Respondent requests a hearing on the Accusation and/or Petition to Revoke Probation, the Board
12 shall provide Respondent with a hearing within sixty (60) days of the request, unless Respondent
13 stipulates to a later hearing. If the Board does not file an Accusation and/or Petition to Revoke
14 Probation within thirty (30) days of the execution of this Order by the Presiding Administrative
15 Law Judge, this Order shall be dissolved."

1 FIRST CAUSE TO REVOKE PROBATION

2 (Prohibited Use of Alcohol)

3 12. At all times after the effective date of Respondent's probation, Condition B of the
4 Decision, (attached hereto as Exhibit A), stated:

5 "ALCOHOL – ABSTAIN FROM USE

6 "i) Respondent shall abstain completely from the use of products or beverages
7 containing alcohol. If Respondent has a confirmed positive biological fluid test for
8 alcohol, Complainant may apply, ex parte, for an interim order suspending
9 Respondent's right to practice medicine. If same is granted, Respondent shall not
10 resume the practice of medicine until further order of the court or final decision on an
11 accusation and/or a petition to revoke probation. An accusation and/or petition to
12 revoke probation shall be filed by the Board within 15 days of any order suspending
13 Respondent's right to practice medicine. If Respondent requests a hearing on the
14 accusation and/or petition to revoke probation, the Board shall provide Respondent
15 with a hearing within 30 days of the request, unless Respondent stipulates to a later
16 hearing.

17 "ii) A decision shall be received from the Administrative Law Judge or the Board
18 within 15 days of any hearing unless good cause can be shown for the delay. The
19 cessation of practice shall not apply to the reduction of the probationary time period.

20 "iii) If the Board does not file an accusation or petition to revoke probation within
21 15 days of the issuance of an order suspending Respondent's right to practice
22 medicine, the suspension order shall be dissolved."

23 13. Respondent's probation is subject to revocation because he failed to abstain from the
24 use of products or beverages containing alcohol in violation of Condition B of his probation,
25 referenced above. The circumstances are as follows:

26 A. On March 21, 2016, Respondent provided a blood sample which tested positive for
27 alcohol. Specifically, the sample tested positive for phosphatidyl ethanol (PEth) with
28 a quantitative value of 881 ng/mL.

1 14. Respondent's ability to practice medicine safely is impaired because he is not abiding
2 by the terms of his probation. Specifically, he is not abstaining from the use of alcohol.

3 **SECOND CAUSE TO REVOKE PROBATION**

4 **(Violation of Probation)**

5 15. At all times after the effective date of Respondent's probation, Condition M stated:
6 "VIOLATION OF PROBATION Failure to fully comply with any term or condition of
7 probation is a violation of probation. If Respondent violates probation in any respect, the Board,
8 after giving Respondent notice and the opportunity to be heard, may revoke probation and carry
9 out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation, or
10 an Interim Suspension Order is filed against Respondent during probation, the Board shall have
11 continuing jurisdiction until the matter is final, and the period of probation shall be extended until
12 the matter is final."

13 16. Respondent's probation is subject to revocation because he violated Condition M of
14 his probation when he failed to abstain from the use of alcohol, as set forth above in paragraphs
15 12 through 14, in violation of Condition B of his probation.

16 **DISCIPLINE CONSIDERATIONS**

17 17. To determine the degree of discipline, if any, to be imposed on Respondent,
18 Complainant alleges that in a disciplinary action entitled *In the Matter of the Suspension Order*
19 *Issued Against Brian Keith Gamble, M.D.*, Case No. 06-2002-137664, on or about July 30, 2003,
20 a Suspension Order was issued by the Superior Court of California, County of Los Angeles,
21 Central District against Respondent pursuant to Penal Code Section 23. The Suspension order,
22 which was effective July 30, 2003, stated that Respondent was prohibited from practicing or
23 attempting to practice any aspect of medicine during the pendency of a criminal action pending
24 against him (Case Nos. BA249419 and BA231928), unless he enters the Medical Board Diversion
25 Program and the Program authorizes him to practice medicine.

26 18. Complainant further alleges that in a disciplinary action entitled *In the Matter of the*
27 *Accusation Against Brian Keith Gamble, M.D.*, Case No. 06-2009-202941, that on or about
28 February 18, 2010, Respondent stipulated to the suspension of his Physician's and Surgeon's

1 Certificate due to his use of illegal drugs. The Board issued a Decision and Order, effective
2 October 21, 2010, in which Respondent's California Physician's and Surgeon's Certificate
3 Number A 76121 was revoked. The revocation, however, was stayed and Respondent's
4 Physician's and Surgeon's Certificate was placed on probation for a period of five (5) years with
5 special terms and conditions, which include but are not limited to: abstention from alcohol. The
6 Decision and Order was issued pursuant to a Stipulated Settlement and Disciplinary Order in
7 which Respondent admitted to the charges in the Accusation, which alleged that Respondent had
8 misused cocaine and methamphetamine.

9 19. On December 28, 2011, Complainant filed a Petition to Revoke Probation against
10 Respondent based on Respondent's positive tests for alcohol in violation of the terms and
11 conditions of his probation.

12 20. On February 24, 2012, Complainant filed an Accusation and First Amended Petition
13 to Revoke Probation against Respondent. Respondent was alleged to have committed dishonesty
14 and made false representations when he participated in a scheme to sell prescriptions to drug users
15 without medical justification; excessively prescribed; failed to maintain adequate and accurate
16 records, failed to obey all laws and failed to abstain from the use of alcohol. Pursuant to a
17 Stipulated Settlement entered into between the Board and Respondent, the Board issued a
18 Decision, effective August 29, 2012, in which Respondent's California Physician's and Surgeon's
19 Certificate Number A 76121 was revoked. The revocation, however, was stayed and
20 Respondent's Physician's and Surgeon's Certificate was placed on probation for a period of seven
21 (7) years with special terms and conditions, which include but are not limited to: abstention from
22 alcohol. Respondent was also suspended from the practice of medicine for thirty-five (35) days.
23 Pursuant to that Stipulated Settlement paragraph 8(b), "should the Board... hereinafter institute
24 any other action against Respondent, including but not limited to an Accusation and/or Petition to
25 Revoke Probation, the allegations and facts set forth in the Accusation shall be deemed admitted
26 for all purposes."

IT IS HEREBY ORDERED that Physician and Surgeon's Certificate No. A 76121 issued to Respondent is revoked. However, the revocation is stayed and Respondent is placed on probation for seven (7) years from September 23, 2010, the effective date of the Board order adopting the previous Stipulation. 2 expense, upon request of the Board or its designee. "Biological fluid testing" may include, but is
3 not limited to, urine, blood, breathalyzer, hair follicle testing, or similar drug screening approved
4 by the Board or its designee. Prior to practicing medicine, Respondent shall contract with a
5 laboratory or service approved in advance by the Board or its designee that will conduct random,
6 unannounced, observed, biological fluid testing. The contract shall require results of the tests to
7 be transmitted by the laboratory or service directly to the Board or its designee within four hours

17 addresses shall be immediately communicated in writing to the Board or its designee. Under no
18 circumstances shall a post office box serve as an address of record, except as allowed by Business
19 and Professions Code section 2021 (b).

20 iii) Place of Practice

21 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
22 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
23 facility.

24 iv) License Renewal

25 Respondent shall maintain a current and renewed California physician's and surgeon's
26 license.

27 v) Travel or Residence Outside California

1 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
2 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
3 (30) calendar days. In the event Respondent should leave the State of California to reside or to
4 practice Respondent shall notify the Board or its designee in writing 30 calendar days prior to the
5 dates of departure and return.

6 J. INTERVIEW WITH THE BOARD OR ITS DESIGNEE Respondent shall be
7 available in person upon request for interviews either at Respondent's place of business or at the
8 probation unit office, with or without prior notice throughout the term of probation.

9 K. NON PRACTICE WHILE ON PROBATION

10 i) Respondent shall notify the Board or its designee in writing within 15 calendar days
11 of any periods of non-practice lasting more than 30 calendar days and within 15 calendar days of
12 Respondent's return to practice. Non-practice is defined as any period of time Respondent is not
13 practicing medicine in California as defined in Business and Professions Code sections 2051 and
14 2052 for at least 40 hours in a calendar month in direct patient care, clinical activity or teaching,
15 or other activity as approved by the Board. All time spent in an intensive training program which
16 has been approved by the Board or its designee shall not be considered non practice.

17 ii) Practicing medicine in another state of the United States or Federal jurisdiction while
18 on probation with the medical licensing authority of that state or jurisdiction shall not be
19 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
20 period of non-practice. In the event Respondent's period of non-practice while on probation
21 exceeds 18 calendar months, Respondent shall successfully complete a clinical training program
22 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
23 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

24 iii) Respondent's period of non-practice while on probation shall not exceed two (2)
25 years. Periods of non-practice will not apply to the reduction of the probationary term. Periods of
26 non-practice will relieve Respondent of the responsibility to comply with the probationary terms
27 and conditions with the exception of this condition and the following terms and conditions of
28 probation: Obey All Laws; and General Probation Requirements.

1 L. COMPLETION OF PROBATION Respondent shall comply with all financial
2 obligations (e.g., cost recovery, restitution, probation costs) not later than 120 calendar days prior
3 to the completion of probation. Upon successful completion of probation, Respondent's
4 certificate shall be fully restored.

5 M. VIOLATION OF PROBATION Failure to fully comply with any term or condition
6 of probation is a violation of probation. If Respondent violates probation in any respect, the
7 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
8 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,
9 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have
10 continuing jurisdiction until the matter is final, and the period of probation shall be extended until
11 the matter is final.

12 N. LICENSE SURRENDER

13 i) Following the effective date of this Decision, if Respondent ceases practicing due to
14 retirement or health reasons or is otherwise unable to satisfy the terms and conditions of
15 probation, Respondent may request to surrender his or her license.

16 ii) The Board reserves the right to evaluate Respondent's request and to exercise its
17 discretion in determining whether or not to grant the request, or to take any other action deemed
18 appropriate and reasonable under the circumstances.

19 iii) Upon formal acceptance of the surrender, Respondent shall within 15 calendar days
20 deliver Respondent's wallet and wall certificate to the Board or its designee and Respondent shall
21 no longer practice medicine.

22 iv) Respondent will then no longer be subject to the terms and conditions of probation. If
23 Respondent re-applies for a medical license, the application shall be treated as a petition for
24 reinstatement of a revoked certificate.

25 O. PROBATION MONITORING COSTS Respondent shall pay the costs associated
26 with probation monitoring each and every year of probation, as designated by the Board, which
27 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
28 California and delivered to the Board or its designee no later than January 31 of each calendar

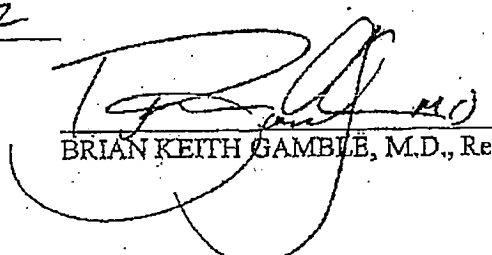

1 year. Failure to pay any and all costs within 30 days of the date they are due shall constitute a
2 violation of probation.

3 P. MODIFICATION OR TERMINATION OF PROBATION Respondent may not file
4 a Petition to modify the terms of probation or terminate the probationary period pursuant to
5 Business and Professions Code section 2307 earlier than two years from the effective date of an
6 order adopting this Stipulation.

20 Complainant alleges:

21 PARTIES

22
23 1. Linda K. Whitney (Complainant) brings this Accusation and First Amended Petition
24 to Revoke Probation solely in her official capacity as the Executive Director of the Medical Board
25 of California (Board).

26 2. On or about August 8, 2001, the Board issued Physician's and Surgeon's Certificate
27 number A 76121 to Brian Keith Gamble, M.D. (Respondent). That license was in full force and
28

1 effect at all times relevant to the charges brought herein and will expire on May 31, 2013, unless
2 renewed.

3 3. On April 27, 2010, in a disciplinary action entitled *In the Matter of the Accusation*
4 *Against Brain Keith Gamble*, Case No. 06-2009-202941 before the Medical Board of California,
5 the Board issued a decision, effective October 21, 2010, in which Respondent's medical license
6 was revoked. However, the revocation was stayed and Respondent's license was placed on
7 probation for a period of five years, upon various terms and conditions. A true and correct copy
8 of that Decision, together with the underlying Stipulated Settlement and Disciplinary Order and
9 Accusation, is attached as Exhibit A, and is incorporated by reference.

10 4. On December 28, 2011, a Petition to Revoke Probation was filed by Complainant and
11 is now pending against Respondent based on Respondent's positive tests for alcohol in violation
12 of Condition B of the Stipulated Settlement.

13 14 JURISDICTION

15 5. This Accusation and First Amended Petition to Revoke Probation is brought before
16 the Board under the authority of the following laws. All section references are to the Business
17 and Professions Code unless otherwise indicated.

18 6. Section 725 of the Code states:

19 "(a) Repeated acts of clearly excessive prescribing, furnishing, dispensing, or administering
20 of drugs or treatment, repeated acts of clearly excessive use of diagnostic procedures, or repeated
21 acts of clearly excessive use of diagnostic or treatment facilities as determined by the standard of
22 the community of licensees is unprofessional conduct for a physician and surgeon, dentist,
23 podiatrist, psychologist, physical therapist, chiropractor, optometrist, speech-language
24 pathologist, or audiologist.

25 "(b) Any person who engages in repeated acts of clearly excessive prescribing or
26 administering of drugs or treatment is guilty of a misdemeanor and shall be punished by a fine of
27 not less than one hundred dollars (\$100) nor more than six hundred dollars (\$600), or by
28

1 imprisonment for a term of not less than 60 days nor more than 180 days, or by both that fine and
2 imprisonment.

3 “(c) A practitioner who has a medical basis for prescribing, furnishing, dispensing, or
4 administering dangerous drugs or prescription controlled substances shall not be subject to
5 disciplinary action or prosecution under this section.

6 “(d) No physician and surgeon shall be subject to disciplinary action pursuant to this section
7 for treating intractable pain in compliance with Section 2241.5.”

8 7. Section 2228 of the Code states:

9 “The authority of the board or the California Board of Podiatric Medicine to discipline a
10 licensee by placing him or her on probation includes, but is not limited to, the following:

11 “(a) Requiring the licensee to obtain additional professional training and to pass an
12 examination upon the completion of the training. The examination may be written or oral, or
13 both, and may be a practical or clinical examination, or both, at the option of the board or the
14 administrative law judge.

15 “(b) Requiring the licensee to submit to a complete diagnostic examination by one or more
16 physicians and surgeons appointed by the board. If an examination is ordered, the board shall
17 receive and consider any other report of a complete diagnostic examination given by one or more
18 physicians and surgeons of the licensee's choice.

19 “(c) Restricting or limiting the extent, scope, or type of practice of the licensee, including
20 requiring notice to applicable patients that the licensee is unable to perform the indicated
21 treatment, where appropriate.

22 “(d) Providing the option of alternative community service in cases other than violations
23 relating to quality of care.

24 8. Section 2234 of the Code states:

25 //

26 //

27 //

28 //

1 "The Division of Medical Quality¹ shall take action against any licensee who is charged
2 with unprofessional conduct. In addition to other provisions of this article, unprofessional
3 conduct² includes, but is not limited to, the following:

4 "(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the
5 violation of, or conspiring to violate any provision of this chapter [Chapter 5, the Medical
6 Practice Act].

7 "(b) Gross negligence.

8 "(c) Repeated negligent acts. To be repeated, there must be two or more negligent acts or
9 omissions. An initial negligent act or omission followed by a separate and distinct departure from
10 the applicable standard of care shall constitute repeated negligent acts.

11 "(1) An initial negligent diagnosis followed by an act or omission medically appropriate for
12 that negligent diagnosis of the patient shall constitute a single negligent act.

13 "(2) When the standard of care requires a change in the diagnosis, act, or omission that
14 constitutes the negligent act described in paragraph (1), including, but not limited to, a
15 reevaluation of the diagnosis or a change in treatment, and the licensee's conduct departs from the
16 applicable standard of care, each departure constitutes a separate and distinct breach of the
17 standard of care.

18 "(d) Incompetence.

19 "(e) The commission of any act involving dishonesty or corruption which is substantially
20 related to the qualifications, functions, or duties of a physician and surgeon.

21 "(f) Any action or conduct which would have warranted the denial of a certificate."

22 9. Section 2242 of the Code states:

23 ¹ California Business and Professions Code section 2002, as amended and effective January 1, 2008, provides that,
24 unless otherwise expressly provided, the term "Board" as used in the State Medical Practice Act (Cal. Bus. & Prof.
25 Code, §§ 2000, et seq.) means the "Medical Board of California," and references to the "Division of Medical
Quality" and "Division of Licensing" in the Act or any other provision of law shall be deemed to refer to the Board.

26 ² Unprofessional conduct under Code section 2234 is conduct that breaches the rules or ethical code of the medical
27 profession, or conduct which is unbecoming to a member in good standing of the medical profession, and which
28 demonstrates an unfitness to practice medicine. (*Shea v. Board of Medical Quality Assurance* (1978) 81
Cal.App.3d 564, 575.)

1 “(a) Prescribing, dispensing, or furnishing dangerous drugs as defined in Section 4022
2 without an appropriate prior examination and a medical indication, constitutes unprofessional
3 conduct.

4 “(b) No licensee shall be found to have committed unprofessional conduct within the
5 meaning of this section if, at the time the drugs were prescribed, dispensed, or furnished, any of
6 the following applies:

7 “(1) The licensee was a designated physician and surgeon or podiatrist serving in the
8 absence of the patient's physician and surgeon or podiatrist, as the case may be, and if the drugs
9 were prescribed, dispensed, or furnished only as necessary to maintain the patient until the return
10 of his or her practitioner, but in any case no longer than 72 hours.

11 “(2) The licensee transmitted the order for the drugs to a registered nurse or to a licensed
12 vocational nurse in an inpatient facility, and if both of the following conditions exist:

13 “(A) The practitioner had consulted with the registered nurse or licensed vocational nurse
14 who had reviewed the patient's records.

15 “(B) The practitioner was designated as the practitioner to serve in the absence of the
16 patient's physician and surgeon or podiatrist, as the case may be.

17 “(3) The licensee was a designated practitioner serving in the absence of the patient's
18 physician and surgeon or podiatrist, as the case may be, and was in possession of or had utilized
19 the patient's records and ordered the renewal of a medically indicated prescription for an amount
20 not exceeding the original prescription in strength or amount or for more than one refill.

21 “(4) The licensee was acting in accordance with Section 120582 of the Health and Safety
22 Code.”

23 10. Section 2261 of the Code states that “Knowingly making or signing any certificate or
24 other document directly or indirectly related to the practice of medicine or podiatry which falsely
25 represents the existence or nonexistence of a state of facts, constitutes unprofessional conduct.”

26 11. Section 2266 of the Code states that “the failure of a physician and surgeon to
27 maintain adequate and accurate records relating to the provision of services to their patients
28 constitutes unprofessional conduct.”

FIRST CAUSE FOR DISCIPLINE
(Dishonesty)

12. Respondent is subject to discipline under Code sections 2234 subdivision (a) for violation of the Medical Practice act and subdivision (e) for acts of dishonesty or corruption in that he participated in a scheme to sell prescriptions to drug users without medical justification. The facts and circumstances are:

A. In March, 2011, two admitted addicts, John S. and Karen C., met one Suzanne Slayton at her hotel room in Santa Clarita, and accompanied Ms. Slayton to Respondent's house. Respondent then gave Ms. Slayton prescription pads so that she could write prescriptions for them.

B. At an interview in the Board's Cerritos District office on November 22, 2011, Respondent indicated that Ms. Slayton was a friend of his and he spoke with her on the telephone daily, often multiple times per day, as well as visiting her apartment. He also indicated he gave her hundreds of dollars per month, but could not explain why he did so.

C. On January 3, 2012, police raided Ms. Slayton's apartment, and found 40 prescription pads in Respondent's name, some of which had been signed, either by Respondent and/or someone else signing Respondent's name. Ms. Slayton told the police that she was selling the prescriptions. After Ms. Slayton was arrested, her first call was to Respondent. It is apparent that Respondent was selling prescriptions directly or through Ms. Slayton to others who would use them to wrongfully obtain drugs from unsuspecting pharmacies.

13. The acts of Respondent with respect to the above constitute dishonest conduct and moral turpitude subjecting Respondent to discipline pursuant to the referenced statutes.

SECOND CAUSE FOR DISCIPLINE
(Excessive Prescribing)

14. Respondent is subject to discipline pursuant to Code section 725 in that Respondent's conduct as above set forth constitutes repeated acts of clearly excessive prescribing.

THIRD CAUSE FOR DISCIPLINE
(False Representations)

15. Respondent is subject to discipline pursuant to Code sections 2261 and 2242 in that Respondent's execution of the prescriptions in Ms. Slayton's possession, including but not limited to those written to John Stutz and Karen Colbert, constitutes a false representation that they were issued with adequate medical justification.

FOURTH CAUSE FOR DISCIPLINE
(Failure to Maintain Adequate and Accurate Records)

16. Respondent is subject to discipline pursuant to Code section 2266 for failure to maintain adequate and accurate records with respect to prescriptions written by him as set forth in the preceding Cause for Discipline.

PETITION TO REVOKE PROBATION

FIRST CAUSE TO REVOKE PROBATION
(Failure to Obey all Laws)

17. At all times after the effective date of respondent's probation, Conditions G and N of the Stipulated Settlement and Disciplinary Order attached hereto as part of Exhibit A stated as follows:

"G. OBEY ALL LAWS Respondent shall obey all federal, state and local laws, all rules governing the practice of medicine in California, and remain in full compliance with any court ordered criminal probation, payments and other orders.

"N. VIOLATION OF PROBATION Failure to fully comply with any term or condition of probation is a violation of probation. If Respondent violates probation in any respect, the Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and carry out the disciplinary order that was stayed. If an Accusation, Petition to Revoke Probation, or an Interim Suspension Order is filed against Respondent during probation, the Board shall have continuing jurisdiction until the matter is final, and the period of probation shall be extended until the matter is final."

1 18. Respondent's conduct as set forth above constitutes blatant violations of statutory
2 provisions of the Code as well as a criminal offense. His probation is therefore subject to
3 revocation.

4
5 SECOND CAUSE TO REVOKE PROBATION
6 (Prohibited Use of Alcohol)

7 19. At all times after the effective date of respondent's probation, Conditions B of the
8 Stipulated Settlement and Disciplinary Order attached hereto as part of Exhibit A stated as
9 follows:

10 "B. ALCOHOL - ABSTAIN FROM USE

11 Respondent shall abstain completely from the use of products or beverages containing
12 alcohol."

13 20. Respondent's probation is subject to revocation because he failed to comply with
14 Probation Condition B by consuming alcohol, as confirmed by four positive and three
15 questionable tests on the EtG (Ethyl Glucuronide) and the EtS (Ethyl Sulfate) tests. EtG and EtS
16 are two highly reliable measures of residue created as alcohol is processed by the body.

17 21. Respondent tested positive for both EtG and EtS on January 21, 2011, February 11,
18 2011, September 12, 2011, and September 13, 2011. Additionally, both tests registered
19 "questionable" results (meaning the tests results were higher than normal but not high enough to
20 be positive) on December 6, 2010, March 8, 2011 and June 13, 2011. Questionable results often
21 indicate that alcohol had in fact been consumed, but far enough before the tests were administered
22 that the metabolites dropped below the positive level. Taken together, the seven tests indicate
23 beyond dispute that Respondent consumed alcohol in violation of Probation Condition B.

24 22. As a result of the above, Respondent's probation is subject to revocation.

25 DISCIPLINE CONSIDERATIONS

26 23. To determine the degree of discipline, if any, to be imposed on Respondent,
27 Complainant alleges that on or about February 18, 2010, Respondent stipulated to the suspension
28

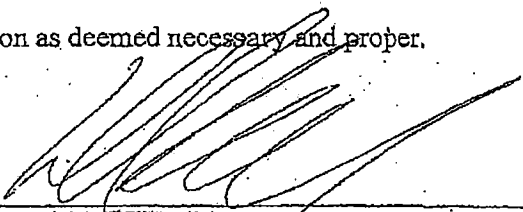

1 of his Physician's and Surgeon's Certificate, as referenced above, due to his use of illegal drugs.
2 His use of such drugs gave rise the Accusation referred to above which was filed against
3 Respondent on or about April 27, 2010 and which was resolved by the Stipulated Settlement and
4 Disciplinary Order attached hereto as Exhibit A. The current alleged offenses relate directly to
5 his renewed or continued involvement in the illegal distribution of drugs.
6

7 PRAYER

8 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,
9 and that following the hearing, the Medical Board of California issue a decision:

- 10 1. Revoking or suspending Physician's and Surgeon's Certificate No. A 76121, issued to
11 Brian Keith Gamble, M.D.;
- 12 2. Revoking, suspending or denying his authority to supervise physician assistants,
13 pursuant to section 3527 of the Code;
- 14 3. If placed on probation, ordering him to pay the Medical Board of California the costs
15 of probation monitoring;
- 16 4. Taking such other and further action as deemed necessary and proper.

This prohibition does not apply to medications lawfully prescribed to respondent by another practitioner for a bona fide illness or condition. If Respondent violates probation in any respect, the Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and carry out the disciplinary order that was stayed. If an Accusation, Petition to Revoke Probation, or an Interim Suspension Order is filed against Respondent during probation, the Board shall have continuing jurisdiction until the matter is final, and the period of probation shall be extended until the matter is final.

O. LICENSE SURRENDER

i) Following the effective date of this Decision, if Respondent ceases practicing due to retirement, health reasons or is otherwise unable to satisfy the terms and conditions of probation, Respondent may request the voluntary surrender of Respondent's license.

ii) The Board reserves the right to evaluate Respondent's request and to exercise its discretion whether or not to grant the request, or to take any other action deemed appropriate and reasonable under the circumstances.

Such costs shall be payable to the Medical Board of California and delivered to the Board or its designee no later than January 31 of each calendar year. "(b) Any matter heard pursuant to subdivision (a), except for warning letters; medical review or advisory conferences, professional competency examinations, continuing education activities, and cost reimbursement associated therewith that are agreed to with the division and successfully completed by the licensee, or other matters made confidential or privileged by existing law, is deemed public, and shall be made available to the public by the board pursuant to Section 803.1.

¹ California Business and Professions Code section 2002, as amended and effective January 1, 2008, provides that, unless otherwise expressly provided, the term "board" as used in the State Medical Practice Act (Cal. Bus. & Prof. Code, §§2000, et seq.) means the "Medical Board of California," and references to the "Division of Medical Quality" and "Division of Licensing" in the Act or any other provision of law shall be deemed to refer to the Board.

1 5. Section 2228 of the Code states:

2 "The authority of the board or a division of the board or the California Board of Podiatric
3 Medicine to discipline a licensee by placing him or her on probation includes, but is not limited to
4 the following:

5 "(a) Requiring the licensee to obtain additional professional training and to pass an
6 examination upon the completion of the training. The examination may be written or oral, or
7 both, and may be a practical or clinical examination, or both, at the option of the board or division
8 or the administrative law judge.

9 "(b) Requiring the licensee to submit to a complete diagnostic examination by one or more

26 deemed to be a conviction within the meaning of this section. The Division of Medical Quality
27 may order discipline of the licensee in accordance with Section 2227 or the Division of Licensing

1 conviction has been affirmed on appeal or when an order granting probation is made suspending
2 imposition of sentence, irrespective of a subsequent order under the provisions of Section 1203.4
3 of the Penal Code allowing such person to withdraw his or her plea of guilty and to enter a plea of
4 not guilty, or setting aside the verdict of guilty, or dismissing the accusation, complaint,
5 information, or indictment."

6 FIRST CAUSE FOR DISCIPLINE
7 (Unprofessional Conduct)

8 9. Respondent is subject to disciplinary action for unprofessional conduct pursuant to
9 Business and Professions Code sections 2234, subdivisions (a), (e), and (f) based on his use of
10 illegal drugs. The facts and circumstances are as follows:

11 A. On October 5, 2009, the Board received a report pursuant to California
12 Business and Professions Code section 805 from Robert Adler, M.D., Children's Hospital Los
13 Angeles, regarding Respondent. According to the report, on September 11, 2009, Respondent
14 was observed falling asleep at work at Children's Hospital, mumbling incoherently, and
15 otherwise acting in a manner such that the hospital requested that Respondent submit to a test for
16 illegal substances; the result was positive for cocaine. On September 18, 2009, Respondent was
17 suspended from his employment.

18 B. On October 24, 2009, Respondent was found sitting in an idling car by Culver
19 City police officers in the parking lot of the Half Moon Motel, located at 3958 Sepulveda
20 Boulevard in Culver City. During the officers' conversation with Respondent, Respondent
21 appeared very animated and could not sit still. He moved his hands around as if he could not
22 relax, continuously moved around in his seat, licked his lips as if his mouth was dry, and
23 appeared to be grinding his teeth. The officers recognized these characteristics as commonly
24 exhibited by individuals under the influence of narcotics. Drug paraphernalia with drug residue
25 and forged prescription pads were subsequently found in Respondent's vehicle.

26 C. On February 17, 2010, Respondent was interviewed at the Board's Cerritos
27 District Office by Investigator Jaime Sandoval and Deputy Attorney General Klint James
28 McKay. Respondent admitted that he had used cocaine in the days preceding his appearance at

1 Children's Hospital described above as well as prior to his encounter with the Culver City police,
2 and that he had used cocaine as well as methamphetamine within several weeks prior to February
3 17, 2010.

4 D. Thereafter, Respondent executed a voluntary suspension of his medical
5 Certificate on February 18, 2010; the Certificate remains suspended.

6 10. Respondent's misuse of cocaine and methamphetamine constitutes unprofessional
7 conduct within the meaning of Code section 2234.

8 SECOND CAUSE FOR DISCIPLINE

9 (Use of Illegal Substances)

10 11. Respondent is subject to disciplinary action for unprofessional conduct pursuant to
11 Business and Professions Code section 2239 based on the facts set forth above.

12 PRAYER

13 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,
14 and that following the hearing, the Board issue a decision:

16 Brian Keith Gamble, M.D.;

18 assistants, pursuant to Section 3527 of the Code;

19 3. If placed on probation, ordering him to pay the costs of probation monitoring; and

20 4. Taking such other and further action as deemed necessary and proper.
